SS4SILVER - #4 Silver Willow

SS4HGOLD - #4 Hammered Gold

SS3GOLD - #3 Gold Mini Willow

SS3SILVER - #3 Silver Mini Willow

ICE FISHING - CHARMER LEADERS

Like the charmed flashing of a school of baitfish, the Viper Charmer Tip-Up Leader brings predator fish to your bait. You won't find tackle like this anywhere else. Tie the leader to your tip-up and wait for the flasher above your live bait to attract more and bigger predator fish. The natural swimming action of your live bait moves the hex-hammered flasher to reflect light and gain the attention of predator fish in every direction. With 10 custom colors with holographic crystal UV finish you will use the Viper Charmer Tip-Up Leader to mesmerize and crank up your daily take. The reflective leader is a proven weapon in your ice fishing arsenal to produce more strikes with the unique flashing action of the Charmer!

Available in 10 custom colors with holographic crystal UV finish

Hex-hammered, gold finish reflects light in all directions

Barrel-swivel clasp to allow live bait to naturally move flasher

Includes: barrel-clasp, 2.25in custom flasher, 1ft-15lb leader and red chrome treble hook

Good for Northern Pike, Walleye, Trout, Perch and more!

Swap with your favorite line/hook combo for different fish species

CUSTOM PAINTED CRANK BAITS

Custom painted cranks are the perfect way to obtain exactly what you want for your tackle box.

To us, custom means **custom**. If you order a special design for your store or yourself, it is for you. We do not take your design and distribute it to other stores or people. Quantities, designs, and type of lure are all factors in correctly pricing your order.

Contact us to build your custom creations today!

SOFT PLASTICS

All of our soft plastic baits are designed by fisherman for fisherman so you know you're getting a quality bait!

Our lures are formulated for the best action possible, but still durable enough to catch more than one fish. All of our baits are salt impregnated with all natural color schemes making them real treats for large mouth, small mouth and spotted bass, as well as other game fish like walleye, pike, and even steelhead. We offer a wide variety of soft plastic baits. hypertail grubs, stick baits and our specialty tube baits.

2-1/2" and 3-1/2" Finesse Tubes

Our finesse soft plastic tube bait is a single dipped thin wall tube with a thin profile. It glides and imparts a spiral type action on the fall that trigger fish to bite.

2-3/4", 3-1/2", 4", and 5-1/4" Soft Plastic Tube Baits

5-1/2" Trick Shake Worms

Our Trick Shake Worms have a special design to impart more action.

4" Salty Hogs

Our Salty Hogs have a special design to impart more action. The tail is still connected to the flappers and gives the bait a little shimmy, driving big bass crazy.

3-1/2" Finesse Worms

Our Finesse Worms are designed to catch fish. Whether you drop shot, shaky head or Texas Rig it the Get Bit Finesse Worm Elicits a feeding response from all types of fish.

5" Soft Plastic Stick Baits

2" and 4" Hypertail Grubs

Contact us for color, size, and type availability!
